3. Legal requirements

These result from Paragraph 14 (2) of the Austrian Accessibility Act (BaFG), Federal Law Gazette I N° 76/2023 as amended, which implements the European Accessibility Directive (Directive 2019/882) on accessibility requirements for products and services.

4. Implementation:

We are constantly working to make our website accessible in accordance with the current version of the BaFG. The Web Content Accessibility Guidelines (WCAG) 2.2 were used for this purpose. We tested the accessibility of our website in the form of a self-test.
