- Further digitalisation initiatives at important customer groups (banks, insurance, telecom)
- Cost pressure in the public sector (federal government, provinces, municipalities)
- Market consolidation in stationary trade
- Restrained investment climate and lower corporate advertising expenditures

Further decline in letter and direct mail volumes

- International trade conflicts leading to uncertainty and investment restraint
- Changed purchasing power and consumer behaviour
- Increasing market concentration of major e-commerce players
- Insourcing ambitions of international e-commerce platforms

Subdued growth in parcel volumes

SOLID REVENUE AND EARNINGS DEVELOPMENT FOLLOWING HIGH PRIOR-YEAR LEVEL

Revenue development

EUR m

Revenue comparison is impacted by elections and currency (2025 below 2024 but above the 2023 level)

Special effects in 2024:

- About EUR 20m related to elections in H1 2024
- Revenue development in Türkiye strongly impacted by inflation and the exchange rate (positive special effect of approx. EUR 65m in H1 2024)

TOP PRIORITIES TO SUPPORT EARNINGS IN 2025/2026

Sales campaign

- Group-wide intensification of international customer relationships – **Competence Centre for E-Commerce Platforms**
- Customer acquisition and existing customer development based on **growing out-of-home offering** in the CEE/SEE region: +10,000 lockers over the next three years
- Strengthening of the **market position in Slovakia** through the acquisition of the customer base of Quality Delivery Logistics
- Strengthening of the **market position in Türkiye** based on a national sales campaign and expansion in Azerbaijan, Georgia and Uzbekistan

Efficiency & costs

- Cost reduction in operating areas by optimising the product mix (**Eco as standard** as of 1 May 2025) as well as the efficient and flexible deployment of staff
- Leveraging of synergies through the **integration of affiliates** into the parent company Österreichische Post AG
- Expansion of cooperation with external logistics partners and other cost reduction through a **quality drive implemented by Aras Kargo** (project to reduce damages and losses)
- **Group-wide cost optimisation** in administrative areas (focus on costs, terms and conditions)

OUTLOOK 2025

Market environment

- Weak economic growth accelerates cost pressure and digitalisation by private and public sector customers → decline in letter and direct mail volumes
- Parcel markets with increasing e-commerce and cautious consumption → moderate parcel growth

Revenue

- 2025 revenue targeted at the prior-year level (sharp increase of 13.9% in 2024 related to positive election and currency effects)
 - Mail: Expected revenue decline
 - Parcel & Logistics: Further growth anticipated in the parcel business (depending on the TRY/EUR exchange rate)
 - Retail & Bank: Revenue in the order of the previous year
- Assumption:
 - No negative impact related to trade conflicts or lack of economic momentum
 - Impact of TRY/EUR exchange rate by $\pm 3\%$ on revenue forecast accuracy

Investments

- Total CAPEX 2025 at the same level as in recent years (EUR 150m -160m)
- This includes maintenance investments, decarbonisation of logistics investments and growth investments

Earnings

- Cost discipline and efficiency to ensure stability
- Target unchanged: Earnings (EBIT) in the order of EUR 200m in 2025

EUR 4BN IN REVENUE TARGETED FOR 2030

A profitable growth with an EBIT margin of >6% is the targeted goal
