EXPERIENCE STAMPS
Stamp art for
collecting and gifting

Multifaceted and unique

Austrian Post's philately team loves variety and therefore always strives to offer stamp enthusiasts new and interesting stamp products. These include lovingly and intricately designed postcard booklets, stamp editions, and items such as yearbooks.

Postcard booklets are informative little books from which you can detach stamps and themed postcards to send to your loved ones. Stamp editions gather several commemorative stamps from the same series in a compact format.

All our stamp products are available on post.at/online-shop and from our Collector Service Centre at +43 (0) 577 67-95095 and sammler-service@post.at

Get all the new issues delivered straight to your home with our tailored subscriptions!
